Stately brick front Colonial on cul-de-sac in desirable Schipper Farms neighborhood. Filled with upgrades and architectural detail, this stunning home offers both modern amenities and classic elegance. Picturesque back yard with 20 X 40' heated roman-shaped pool and shed. Grand foyer with sweeping staircase and impressive motorized chandelier, living room with arched entry, columns, inlaid mahogany floor & fireplace. Elegant formal dining room with wainscoting. Dramatic family room features Cathedral ceilings, skylights, fireplace, bar with built-ins and elegant wood craftsmanship. Spacious chef's kitchen with skylights, large breakfast island, custom cherry cabinetry, newer stainless high-end appliance, sunny dining alcove and good morning staircase. Relaxing master suite retreat with dressing room and marble bath, 1st floor office with coffered ceiling and spacious 3rd floor bonus room. New roof in 2017 and many more updates throughout. Truly one-of-a-kind custom-built home!
